

# Recorded Books

## Make the **PLAYAWAY**<sup>®</sup> connection!

Connect your **PLAYAWAY**<sup>®</sup> audiobook to your car or home stereo.

### FM Transmitter

The FM Transmitter connects portable music players to your car or home stereo quickly and easily. Just plug it into the headphone port of your **PLAYAWAY**<sup>®</sup> audiobook. Tune your car stereo or home receiver to the clearest FM frequency and enjoy your **PLAYAWAY**<sup>®</sup> audiobook.

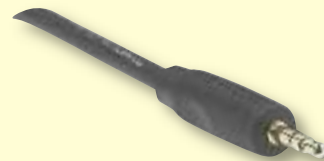

### Cassette Adapter

Just plug the cable into the headphone port of your **PLAYAWAY**<sup>®</sup> audiobook and insert the cassette adapter into the cassette player in your car or home stereo and enjoy.

### Direct Connect Cable

New car systems have an auxillary input for **PLAYAWAY**<sup>®</sup>, MP3 players, and iPods. Just plug the cable into the headphone port of your **PLAYAWAY**<sup>®</sup> audiobook and the auxillary port in your car's audio system.
