Minutes, Meeting of January 12, 2018**

**Review of Financial Reports**

Smith remarked that the Cash in Bank line does not show on the Preliminary December 2017 Debt Service report due to a zero dollar balance. The second line shows money invested with the City of Columbia. That money will be moved in February and a final December Debt Service report will be created showing the account as closed. On September 2017, funds were moved to an escrow account to make the final debt service payment in March 2018. Carr noted that earlier estimates showed that we might need to use some Building Fund money for the last payment but, as shown by the over \$50,000 balance remaining, we did not need to use those funds. The remaining balance will be moved to the DBRL Operating Fund.

Smith also stated that the Checking line does not show on the Preliminary December 2017 Building Fund report due to a zero dollar balance. In the future, Fixed Assets will be shown on the monthly DBRL financial reports. Once final information is received from the City of Columbia, a final December Building Fund report will be created showing the account as closed and the funds will be used to reimburse DBRL for the CPL south stairs project expenditures.

As provided for on the agenda, Powell recessed the meeting at 5:16 p.m. The meeting resumed at 6:13 p.m.

**Election of Voting Member of Finance Committee**

Due to the new district not having a past president, a second voting member must be selected to serve alongside Powell.

There was no miscellaneous business.
