## **Upcoming Meetings and Events**

December 13 DBRL Foundation Board Meeting
January 24, 2024 Columbia Values Diversity Celebration

### Union

Bargaining sessions were held on November 7, 8, 14, 28 and 29. Tentative agreements were reached on the four remaining articles (Health Insurance, Sub-contracting and Volunteers, Union Rights and Wages).

### **Public Services**

Missouri SHIP (State Health Insurance Assistance Program) held several Medicare Enrollment support sessions at CPL throughout November. The sessions will continue through January. This annual partnership serves an important need in the community and we are proud to be able to host the sessions.

The 2024 One Read call for nominations was held in November. We'll learn about which titles made the finals in the spring.

#### Personnel

We're sad to announce that Sherry Mc-Bride Brown is retiring from DBRL. She has worked at DBRL since 1977 in several positions, both in Fulton and Columbia. For the last 13 years she has served as librarian at the Callaway County Public Library. As a native of Callaway County, Sherry has made many great connections in the community. She will be greatly missed.

Tyler Davis, 2023 practicum student, has been hired as the library's first Community Resources Specialist (aka social worker). Tyler starts at DBRL on January 2. His position is responsible for daily support services at CPL but also assisting branches with training and community connections in this area.

#### **Facilities**

The Facilities Assessment Report was received from Bureau Veritas. Several items needed to be clarified, but overall we are satisfied with the results and can confidently plan out the equipment replacement and/or maintenance schedule for the next few years. A copy of the report is available upon request.

## **Foundation**

Kee Groshong, long-time Foundation Treasurer, will be stepping off the board at the end of the year. His service will be celebrated at the Foundation's December board meeting.

DBRL was once again the recipient of a \$1000 donation from the Korean Visiting Scholars program at MU. The funds are used to support children's services, and are given to the library and CPS' ELL program as a thank-you from the families who use our services while in Columbia

## Media Report

News about the final month of contract negotiations between DBRL administration and Daniel Boone Workers United topped the library-related news stories for the month. The Columbia Daily Tribune, Columbia Missourian, the Eagle, KBIA, KMIZ and KOMU ran several stories at various steps of the process.

Other topics were also covered in November. Even though the library is not directly involved with the reintroduction of the Dolly Parton Imagination Library initiative, KMIZ interviewed DBRL's Youth and Community Services Manager Sarah Howard about it and both KMIZ and KRCG used footage inside CPL and HSPL respectively for their coverage of the new statewide program. The Boone County Journal's columnist Travis Naughton wrote about changes at SBCPL over the years in his column entitled "Change is the Only Constant", and the paper's columnist Ernie Wren mentioned SBCPL's "Health on Wheels" visits (in partnership with the Boone County/Health Department of Public Health and Human Services) in his opinion piece. The Columbia Missourian printed articles about CPL's "NaNoWriMo: Come Write In" after-hours event, "Lunch & Learn: Columbia's Solid Waste and Recycling Program, and the "Reading to Rover" program. The Missourian also reported on what impact a property tax freeze would have on tax-supported entities including DBRL. Missouri Business Alert, co-sponsor of the Kindness in Business Award along with Children's Grove, interviewed Sarah Howard about DBRL's Youth Services team being awarded a Kindness to Youth Award. KBIA also covered SBCPL's "Health on Wheels" service as well as CPL's "Lunch & Learn: Columbia's Solid Waste and Recycling Program," and the COVID/Flu vaccination clinic held at CPL.

## DBRL Monthly Report November 2023

## **Reports**

- 1. The Balance Sheet is presented on page 1.
- 2. The Statement of Revenues and Expenditures reports on pages 2 3 illustrate how the actual expenditures compare to the line items, which are grouped to form budget categories. The line item amounts that make up the categories may be over or under as long as the total budgeted expenditures are not exceeded. The Budget Categories are "Total Salaries and Benefits;" "Books, Periodicals and AV;" "Total General Operating;" "Total Building Operations;" and "Total Capital Outlay."

#### Assets

- 1. Inventory "Current Year" column relates to the food and other supplies held on December 31, 2022 by the library staff for sale at the library and kiosk (page 1).
- 2. Accounts Receivable represents staff meal reimbursements that will clear next month when the credit card payment processes to the vendors (page 1).
- 3. The Accrued Interest line reflects the CY 2022 balance (page 1).
- 4. The Fixed Assets section represents the value of fixed assets at December 31, 2022 adjusted for the 2023 disposals (page 1). Furniture and Equipment (F&E) increased to record the approved capital items purchased. Callaway County Building increased to record the carpet and HVAC controller replacements, and decreased for the historical value of the carpet replacement. Columbia Building increased for HVAC refrigerant unit replacements. Leasehold Improvements increased for the carpet replacement at the Southern Boone County Public Library in CY 2022.

#### **Liabilities**

- 1. Unreimbursed Medical has a liability for the funds that have not been claimed as part of the Cafeteria program (page 1).
- 2. Entertainment Tax Withholding is a two (2) percent tax that is imposed on all fees greater than \$300 paid to out-of-state performers (page 1). This tax is remitted quarterly to the Missouri Department of Revenue.
- 3. Liabilities Accrued and Withheld represents the monies due because of the timing differences with our insurance vendor and for member changes that the vendor has not yet processed for the current billing cycle (page 1).

#### Revenue

 The Property Taxes received are as expected for the month of November (page 2). The Statement of Revenue and Expenditures reflects library tax income through November for the Columbia and Boone County and Callaway County Library Districts.

## DBRL Monthly Report November 2023

- 2. Investment Interest on Taxes is through October 31, 2023 (page 2). November investment interest income information has not been received from the Boone County Treasurer (page 2). Investment Interest on Taxes is more than its line item budget due to receiving higher interest rates than anticipated.
- 3. Interest on bank accounts is more than our line item budget due to receiving higher interest rates than anticipated and increased revenue sharing from the use of the DBRL credit cards (page 2).
- 4. Unrealized Gain or (Loss) represents the reversal of the GASB 31 requirement to value our investments at market value at year-end (page 2). This amount will be netted against the unrealized gain or (loss) at the end of 2023 to determine the total unrealized gain or (loss) for calendar year 2023.
- 5. Contributions are more than the line item budget due to receiving more from the Columbia Friends Group and Foundation than planned as part of the budget (page 2).
- 6. Other Income is more than the line item budget due to receiving more passport fee revenue and kiosk revenue than expected (page 2).

## **Expenditures**

- 1. Total actual Salaries and Benefits expenditures are expected to be under budget due to the turnover of staff (page 2).
- 2. The General Operating Budget reports sixty-seven (67) percent expended (pages 2-3). A few line items worth mentioning are MOREnet and Postage and Mailing. We expect all lines to be within budget at year-end.
  - MOREnet represents the semi-annual payment for services.
  - Postage and Mailing "Year to Date-Actual" column is more than its line item budget because more envelopes were needed for passports than planned as part of the budget.
- 3. Building Operations and Maintenance reports seventy-three (73) percent expended (page 3). A few line items worth mentioning are Facility Rent; Insurance Building and Liability; and Library Vehicle Maintenance. We expect all lines to be within budget at year-end with the exception of Insurance.
  - Facility Rent SBCPL and HSPL are paid through December 31, 2023.
  - Insurance Building and Liability represents a portion of the library's annual
    payment for its policies. Insurance premiums increased more than expected, and
    we expect this overage to be covered by other lines being under budget at yearend.
  - Library Vehicle Maintenance Year-To-Date-Actual column is less than the Prior Year-To-Date-Actual because the City of Columbia has not billed DBRL for our

vehicle maintenance work or gasoline purchases this year. The City of Columbia remitted invoices through September 30, 2023 which will be reflected on the December 2023 monthly report.

4. Furniture, Equipment, Capital Outlay includes purchases of computer equipment, maintenance equipment, shelving, furniture, and a van approved in the CY 2023 budget.

## **Service Report: November 2023**

#### Circulation

While circulation is down slightly since last month for Columbia Public Library (-2.7%) and Holts Summit Public Library (-3.4%), it has shown an increase in all areas since last year as post-COVID reintroduction continues to affect the community. Most notably, the Digital Branch has grown substantially since last year at a 22.6% increase.

#### **Visits**

Library visits continue to show consistent growth from 2022. While all branches saw this growth, Southern Boone County Public Library showed the highest increase from last November with 79.6% growth.

#### **Electronic Services**

All Electronic Services have shown growth in both monthly and cumulative growth since November 2022.

#### Reference

Columbia Public Library reference utilization was down 5.2% compared to last November, but all other data points showed growth.

## **Programs**

Participation in Library Programs has increased by 25% since 2022, while involvement with Tours, Booths and Presentations is down both in number of events and attendance.

#### Meeting rooms

Meeting room usage has continued to majorly increase at all locations since last year for both public and library use.

#### **Materials**

Total Materials are down by 1.2% from last November with a decrease in the number of Devices, Music Recordings, Spoken Recordings, and Books due to weeding. ## **BUDGET MESSAGE**

TO: Daniel Boone Regional Library (DBRL) Board of Trustees

**FROM:** Margaret Conroy and Jim Smith

DATE: December 14, 2023

**SUBJECT:** Calendar Year (CY) 2024 Operating Fund Budget

The 2024 Operating Fund budget includes funding for DBRL's operational goals.

## **Budget Discussion**

#### Revenue

A. The revenue section contains the income we project to collect in CY 2024. Total Budgeted Revenue for CY 2024 is expected to increase from the CY 2023 budget mainly due to an increase in property tax revenue, contributions, other income and investment income.

- B. Tax revenue is budgeted to increase six and two-tenths (6.2) percent over the CY 2023 budget due to the growth in the library districts. The CBCLD 2023 tax levy is the same as last year at 30.22 cents per \$100 of assessed valuation as required by the Hancock Amendment. The CCLD tax levy is the same as last year at 26.00 cents per \$100 of assessed valuation.
- C. The Investment Interest on Taxes budget is the same as the CY 2023 Projected Actual because we believe we can maintain the same level of return on the investment pool with the Boone County Treasurer. Interest on Checking is estimated by using an average balance for the most recent twelve (12) months and the average current interest rate earned during CY 2023 and an estimate for rebate received from the use of the DBRL credit cards.
- D. The Gain or (Loss) on Investment YTD 06/30/23 column shows the reversal of the \$1,234,224 adjustment made on December 31, 2022 to value investments at market value at year-end as required by GASB Statement 31. This amount will be netted with the GASB 31 December 31, 2023 amount at the end of the year. After the amounts are netted, we are projecting a \$30,000 unrealized gain in the Projected 2023 column. The reversal of the GASB 31 entry is done to make sure that the cash balances reflect the amount that we can withdraw from the Boone County investment pool because the

unrealized gain/loss is viewed as temporary. The investments are intended to be held to maturity, at which time the unrealized gain/loss is expected to be reversed.

- E. Total State Aid (State and A&E) is budgeted at the same amount as the state aid received in CY 2023 as follows:
  - 1.) The 2024 State Aid budget projects to receive \$158,908.
  - 2.) The 2024 Athletes and Entertainers Tax budget is projected to receive two payments of \$80,000.
- F. Contributions increased because we anticipate more funding from the DBRL Foundation.
- G. Other Income is expected to increase from the CY 2023 Budget amount because of receiving more revenue from the passport service and from the CPL Kiosk.
- H. Grant Revenue is budgeted at a conservative estimate of all grants we may receive in CY 2024.

## **Expenditures**

Closer analysis of the expenditures section is shown in the Detail to the Operating Budget, which has two basic categories: current and noncurrent. The current section details expenditures from this year's current revenue and is divided into unrestricted and restricted sections. A restricted expenditure is bound by some sort of legal obligation, such as a grant's contractual agreement. The noncurrent section details expenditures from this year's current revenue or from the fund balance, and is typically used for one-time capital expenditures. The Expenditures budget section has the following budget categories: Salaries and Fringe Benefits, Library Materials, General Operating, Building Operations and Maintenance, Contingency, and Capital Outlay.

## Salaries and Fringe Benefits

- I. Salaries and Fringe Benefits are projected to increase from the CY 2023 budget amount mainly because of increasing wages to market, adjusting for wage compression using the employee's length of service, requesting an increase of 1.3 FTEs, paying \$1.5 million on the LAGERS unfunded pension liability and an estimated increase in benefit costs (J through O), which is expected to be partially offset by employee turnover and reassigning hours. Included in this budget are 136.7 full-time equivalents (FTEs) which is an increase of one and three-tenths FTEs from last year's total of 135.4. The FTE increase includes a request to add an additional 40 hour Associate Director position, adding 10 hours per week (.25 FTE) for the operation of the Southern Boone County facility and 2 hours per week (.05 FTE) to provide additional courier service to additional remote locker service.
- J. Staff raises will increase FICA / Medicare benefits correspondingly.
- K. Health and Dental Insurance costs include an average eleven (11) percent increase in health and dental insurance premiums from CY 2023 and increased cost

shares for three-quarter employees, half-time employees and paying fifty percent of the premiums for dependent and family coverage. We are budgeting for a seventy-nine (79) percent participation rate in the health plan and seventy-nine (79) percent participation in the dental insurance plan.

- L. Retirement 401(k) is estimated to increase from the CY 2023 budget because of the proposed increase in wages and estimating the new full-time position will participate. The budget continues the up to six (6) percent match on employee contributions.
- M. Retirement LAGERS is expected to increase from the CY 2023 budget because of the increase to wages and, if approved, a new Associate Director position will be covered by LAGERS.
- N. Life Insurance is projected to increase from the 2023 Budget because through the reorganization of hours more benefit eligible positions have been created.
- O. As in previous years, State Unemployment Insurance costs are projected using an estimate. As a governmental organization, we have chosen to have a reimbursable unemployment account; therefore, we only pay if claims are made. According to the formula, the reimbursement calculation also allows for some claimants who may have voluntarily resigned to be charged to our account. This line item is difficult to budget because a former employee could receive as much as \$320 per week for 26 weeks. However, based on past experience we feel the budgeted amount is reasonable.

## **Library Materials**

P. The Books, Periodicals and AV budget is expected to increase from the CY 2023 budget because of projecting an increase in CPL Friends and Foundation funding.

## **General Operating**

- Q. The General Operating CY 2023 budget category is projected to increase from the CY 2023 budget mainly due to increasing Conference/Staff Training, Professional Fees, Programming and Supplies line item budgets.
- R. Conference/Seminar and Staff Training is projected to increase from the CY 2023 Budget because of increasing the number of training opportunities and the allowance for the number of participants to attend conferences.
- S. Professional Fees are expected to increase from the CY 2023 budget amount because of including an allowance for a community survey, DEI consultant and space audit consultant for CPL.
- T. Programming increased mainly to add additional Foundation funding for programming and partner with Vidwest Studios to film programs for the YouTube channel.

U. Supplies and other expenditures increased because of estimating increased costs for supplies, software, etc.

## **Building Operations and Maintenance**

- V. The Building Maintenance budget category is expected to increase twenty-nine (29) percent from the CY 2023 budget because of converting the light fixtures to LED lighting, inflation and re-appropriating parking lot work from CY 2023.
- W. Insurance costs are expected to increase from the CY 2023 budget because of inflation.
- X. Library Vehicle Maintenance is expected to decrease from the CY 2023 because there is no need to budget for replacing the generator on the bookmobile.
- Y. Telephone is expected to increase from the CY2023 Budget because of inflation and adding service for fifteen (15) additional hotspots.

## Revenue Under Expenditures

Z. When comparing total revenue to the operating expenditures, we are projecting more expenditures than revenue of \$1,550,458. However, LAGERS has an assumed \$1.5 million payment on the leave liability that will be funded from fund balance and Building Maintenance has a one time LED lighting project for \$145,000 that has been saved for in Fund Balance in Future Improvements of Buildings.

## Capital Outlay

AA. Capital Outlay is projected to increase from the CY 2023 budget because of the cost of capital items requested. The expenditures include the ongoing replacement of furniture and equipment and one-time purchases needed to accomplish operational goals.

Items included in the Furniture, Equipment and Capital Asset request include:

- a. General furniture and equipment additional and replacement (estimated at \$82,650);
- b. Computer equipment additional and replacement (estimated at \$172,400); and
- c. Break room renovations and parking lot work (estimated at \$122,800). The break room renovation will be funded from a donation for CCPL administered by the DBRL Foundation.

## **Fund Balance**

BB. After all revenue and expenditure projections are considered, we estimate a December 31, 2024 projected ending Fund Balance of \$13,281,949. In order to ensure funds are available for future capital needs, the DBRL Board has established three categories: Future Improvements of the Buildings Owned by the Library Districts; Future

Furniture and Equipment Replacement Needs; and Implementation of the Strategic Plan. The remaining funds are added to Unrestricted Fund Balance for future needs.

- CC. Future Improvements of Buildings is projected at \$3,892,800 in order to save for the building capital needs for the next five (5) years using the Facilities Assessment Report information prepared by staff with the assistance of our contractors.
- DD. Future Equipment, Furniture, Capital Outlay Replacement includes the amount staff estimated for furniture and equipment replacement needed in the next five (5) years based on our current replacement schedule. All the fixed assets owned by the library are listed on a replacement cycle based on their estimated useful life determined as part of depreciation.
- EE. Implementation of the Strategic Plan includes the amount saved for future projects.
- FF. The Unrestricted Fund Balance is the amount that is not designated for a specific purpose. We will hold these funds in reserve until the board approves their use.

## **Requested Action**

If the DBRL Board of Trustees is satisfied with the CY 2024 Operating Budget, we request approval of the CY 2024 Operating Budget.
